

29 April 2021

Dear Parents and Students,

## House Music Competition 29 April 2021

We are thrilled to invite you to join us for this year's House Music Competition **TONIGHT**.

Unsurprisingly, we have had to change things drastically in order to stay safe and compliant with current Covid restrictions, but that hasn't stopped all six houses and a number of dedicated students helping impartially on tech to bring a fantastic hour of music for you this Thursday evening.

The timing of events will be as follows:

- 7.00 pm Presentation goes live – see links below for access.
- 8.05 pm Short interval
- 8.30 pm Live teams meeting Results Show for judging and trophy presentation

Each House has prepared a varied set, including small classical ensembles, pop and rock bands, sea shanties and much more!

We hope you enjoy the show and thank all the House Music Captains and students for all their hard work. Please share with family members and may the best House win!

Best wishes,

Francis Mullaly  
Director of Music
