

How Can I Help My Child?

Access to phones, social media and the internet means that young people can communicate with others without those caring for them knowing and this can make it difficult when we want to keep them safe.

A free online workshop for parents and carers

Facilitated through Zoom by Lawrence, Penny and Rhiannon from the Marie Collins Foundation

The Marie Collins Foundation

The Marie Collins Foundation (MCF) is dedicated to supporting victims of online child sexual abuse and exploitation. The foundation advocates for children who have suffered from online abuse so that they are able to recover and live safe and fulfilling lives. It has grown to become a dedicated team of specialists who support those harmed online through direct work with children and their families and advising professionals and governments at local, national and international level.

In this workshop you will have the opportunity to explore, in a safe environment:

- what **online harm** is
- ways you can **effectively help** and support your children
- understand **why and how** children can become victims, and
- how your response can be **vital** in enabling your child to recover.
