Dear Parents,

A Level/GCSE Book Back Programme

We are pleased to announce a new initiative this year which we hope will help the planet by recycling books, offer a second-hand book shop and raise funds for RGS.

Now that Year 13/11 students have finished their exams and may have no further need for their textbooks (ones you have bought for them), we would be most grateful if they/you could donate these textbooks (if they are clean, in good condition and not/barely written in). Please could they bring them to Resources when they are next in school.

Depending on the response we get, we may then be able to offer second-hand books for sale to Year 11/9s when they start their A Levels/GCSEs.

All school issued GCSE textbooks must be returned to the relevant department at RGS on the Year 11 Taster Day this week.

We hope you will join us with this new initiative detailed above.

Yours sincerely,

Tanya Warner
Resources Centre Manager
