

19/1/22

Dear Students in Y10-13 (Parents/Carers for information),

### **HSBC - introductory work experience session**

If you are interested in a career in financial services, on **Monday 24th January from 5:00pm - 6:00pm** Young Professionals will be hosting HSBC's introductory work experience session as they take us through all their upcoming UK-wide summer work experience opportunities and how to best ensure your application can stand out and align to what they're looking for.

The work experience will be a mix of in-person and virtual days and they have opportunities in most of their branches / offices across the country so no matter where you are in the UK, there's a good chance you'll be able to get involved. This opportunity is open to all students in Y10, Y11 and the Sixth Form.

If you'd like to hear more about **HSBC's Summer Work Experience**, application entries and the relevant dates and information click on the following link to sign up.
