

21 June 2021

Dear Parents

**An Important Safety Message from the Sports Department – Student Mouthguards**

The School policy is to endorse various sporting governing bodies in their guidelines surrounding the use of dental protection. All pupils require a mouthguard to take part in rugby or hockey at school throughout their school life. OPRO Mouthguards will be catering for all students wishing to purchase a custom, dental-fit mouthguard and will be visiting the School on **Monday 13 September 2021**.

If you wish to take advantage of this service, please click [HERE](#) and complete the online order in advance of September .

All OPRO mouthguards are provided with school special or standard designs, from a cost of £44.99, with additional mouthguards available at half price. OPRO's prices are vastly reduced from dental practices and similar services and include:

- Impression supervised by a member of the OPRO dental team
- Custom guards manufactured to achieve the highest level of protection available
- Complimentary Queen's Award winning snap-fit mouthguard to use until your custom-fit arrives
- 12 month dental warranty of up to £22,500
- Free delivery to your home address

OPRO also provide mouthguard options for those with a fixed brace and your preferred fitting method can be selected on the online order form.

Any questions about school mouthguards or any of the details above should be sent directly to OPRO (not RGS) via their customer service email address: [info@oprogroupp.com](mailto:info@oprogroupp.com). Further information about OPRO can be viewed [HERE](#).

If your son already has a mouthguard, please check that it still fits. Your child's growth can prejudice the fitting and effectiveness of a mouthguard.

Yours sincerely

**James Honeyben**  
**Head of Rugby**
