Dear Parents,

REQUEST FOR VOLUNTEER MEDICINE, DENTISTRY AND VET INTERVIEWERS SATURDAY 3RD DECEMBER 2022

We very much hope that amongst our parents who are qualified medics, dentists or vets there may be some who could help us with mock interviews for our Year 13 aspiring Medics, Dentists and Vets. We are seeking volunteers who can give up a couple of hours on the morning of Saturday 3rd December to deliver MMIs (multiple mini interview) with a medical scenario, on a rotational basis.

Please let me, Mrs Sweta Thakrar swt@rgshw.com – Careers Lead, and Mrs Leanna Roberts lxr@rgshw.com – Head of Medsoc know if you can assist.

We look forward to hearing from you.

Kind regards
Mrs Thakrar
