

24/11/22

Dear Parents and Guardians,

**An incredible opportunity for your child to experience Croatia
with World Challenge**

We're inviting you to join an online talk about our exciting Croatia expedition, running in April 2024 for Year 8 and 9 students (current Years 7 and 8). Your sons may discuss this with you, following their assembly on Friday 25th November.

This is a life-changing opportunity for students to explore Croatia with expert guides, while developing their life skills, confidence and independence. We're partnering with World Challenge to offer this 10-night trip, which complements school learning.

Applications are now open, so please [visit our trip webpage](#) for the sign-up link, itinerary, travel dates, booking terms and trip cost – examples of how past students have earned this themselves will be covered in the talk.

Sasha from World Challenge will host the 20-minute **Zoom presentation on Wednesday 7th December at 18:00**. Come along and ask any questions, or just listen in – there's no commitment at this stage, just a chance to find out more.

To attend, please [register for the Zoom presentation here](#).

We look forward to sharing our enthusiasm for this exciting opportunity with you and your sons.

With best wishes,

Mrs Chandler
World Challenge Lead
Teacher of Geography
