Helping you take
the next step

Summary

- ✓ There are lots of jobs available at the moment, but possibly in sectors and industries that you may not have considered
- ✓ Job searching remotely is possible and there are lots of different ways that you can find out about job vacancies
- ✓ You will need to be prepared for quite a fast-changing recruitment experience. Employers will probably be advertising with quite a short turn-around. Don't delay on submitting applications.
- ✓ Even though you may feel like you are rushing, don't. Spelling, grammar and submitting a complete application are still important.
- ✓ There is lots of support that you can access, both nationally and locally.

Requirements and prospects

Desired skills

We are looking for applications from individuals who have the following skills:

- You need to be **confident** and have the ability to **work independently** without the need for close supervision.
- Communication skills are vital in this role; successful applicants will be **well spoken** with a clear and professional telephone manner.
- You must have **good time management skills**; you must be a punctual person and be on time for work and any meetings.

Qualifications required

No formal qualifications required.

Future prospects

Full time position for the right apprentice.

Things to consider

Can you travel there? Please check links below

<http://www.traveline.info/> Or www.transportdirect.info

- This role involves liaising with both internal and external customers, you must be confident when dealing with people at all levels.
- This role may involve unsociable hours – you must have a flexible approach to your work.
- Travel costs will be incurred to get to work, and to access the training.
- You must have a customer focused approach whilst handling a large volume of queries.
