

3rd February 2022

Dear Parents and Carers of Years 9-13 students,

The week commencing 7th February is National Apprenticeship Week, which is an opportunity to highlight the apprenticeship route after leaving school. There are a range of post-16 and post-18 options available. Please find attached a very useful pack of hints and tips for Parents and Carers interested in finding out more about apprenticeships.

If you or your son have any questions about this please email me at sva@rgshw.com.

Kind regards

Mrs Azad – Careers Lead (sva@rgshw.com)

Mrs Booth – Careers Administrator (seb@rgshw.com)
