

03/09/2021

Dear Parent/Guardian,

Welcome Back!

I hope that, like me, you have managed to have an enjoyable summer and even a staycation or two. My trips to Market Harborough and Hampton-in-Arden were highlights, especially as we managed to leave the children at home for the latter.

As school restrictions loosen nationally for the new academic year, I would just like to remind pupils and parents of a few key pieces of information.

TIMINGS

The school day begins at 8:40am with a new finishing time of 3:30pm. With a shorter form period it is essential that pupils are punctual to school.

UNIFORM

We now revert to normal school uniform every day for students in Years 8-13 who will need to bring their kit for games and CCF with them to school on the days they are needed. Students must also change back into uniform before leaving school at the end of the day.

Year 7 may wear RGS games kit/tracksuit to school on a Friday when they have their weekly games lesson (apart from induction tomorrow and Friday 24th September when school photos are taking place). On all other days Year 7 should also attend in school uniform.

I attach the [School Uniform Policy](#) and [Shoe Guidance](#) as a reminder that trainers should not be worn to school with RGS uniform.

ATTENDANCE

Whilst we strive for optimum attendance for all our pupils please make sure that you follow government guidelines should your son feel un well. If he has any Covid symptoms please keep him at home, notify attendance@rgshw.com and book a PCR test. For all our school attendance information please click [here](#).

Yours sincerely

David Durning
Assistant Head – Student Development
