Dear Year 12 Students (and parents for information)

**Ernst and Young Summer Business Academy**

The Business Academy is aimed at students in Year 12 who are interested in doing an apprenticeship when they leave school in Year 13. The programme will give students an insight into what it's like to work at EY, how the apprenticeship programme works and will give them the opportunity to meet with current apprentices.

EY have a range of interactive brochures to give school students an insight into EY's world and their school leaver programmes. The topics below may prove helpful:

- [School Leavers](#)
- [Our Locations](#)
- [Why EY](#)
- [Belonging at EY](#)

**Message from Old Wycombiensian, Avi Sohi:**

"I am undertaking an Assurance Apprenticeship at EY, a professional services firm in Canary Wharf, London. The Business Academy Programme takes place over 5 days in the summer and is available to undertake in an area of the business and in offices around the UK. This programme is designed to give students a real insight into what it's like to work at EY and a taster of what they would experience on an apprenticeship here.

As well as getting first-hand experience, a student will also get paid a wage to attend – and, even better – they can be fast tracked to an assessment centre to secure a space on the apprenticeship scheme. I can personally vouch for the apprenticeships here as being a great way to jump start a career pathway in the finance sector and an amazing way to continue learning whilst earning."

More information on the Business Academy Programme can be seen here: [EY Business Academy | EY UK](#)

Kind regards

Mrs Sadia Azad - Careers and Higher Education Lead  
Mrs Sonia Booth - Careers Administrator
