

7/9/21

Dear Parents and Year 7 Students

### **Year 7 - Welcome to Cricket Sessions**

So that boys aren't waiting until 2022 to feel part of the Cricket Programme here at the RGS, we are hosting 'Welcome to Cricket' sessions at the start of the year whilst the weather and light allows.

The sessions will be delivered in the outdoor cricket nets from 3.45pm - 5.00pm, with forms given 3 different sessions on which to attend (below). We ask that boys bring their own kit (if owned) to allow them to face hard balls, but kit is available for those who are not able to provide their own. Boys who are not yet confident or competent to face hard balls will face soft balls to allow everyone to access the sessions regardless of skill level or previous experience.

Kensington & Balmoral	Monday 13 September, Thursday 16 September, Wednesday 22 September
Windsor & St. James	Tuesday 14 September, Wednesday 20 September, Thursday 23 September
Sandringham & Buckingham	Wednesday 15 September, Tuesday 21 September, Friday 24 September

I look forward to seeing many of you there.

Kind regards

Mr Fletcher  
Head of Cricket
