Student IT Access Survey January 2021

Dear Parents,

I hope that you and your families are well.

Mrs Javaid and I write to ask for your feedback regarding the Student IT Access for Online Learning; last week we included the link below in the Deputy Headmaster's letter, and approximately 300 parents have kindly responded. Thank you to those parents.

We are writing to offer those parents who haven't yet completed the survey the opportunity to share their feedback; it is entirely optional but the results received last week have already enabled us to support our community better.

As ever, if you need any help or have any questions or comments, please don't hesitate to contact me.

With kind regards,
