Dear Parents,

### REQUEST FOR GUEST SPEAKERS IN CAREERS

We are hoping you might be able to help us with our Tuesday Careers Talks in the Autumn term. **We are seeking volunteers who can come into school to deliver a 20-30-minute careers talk on a Tuesday lunchtime (1.45pm-2.15pm).** Thank you so much to the mums, dads, uncles, old boys (OWs) and other RGS friends who have delivered a Careers Talk recently: Air Vice Marshal Tamara Jennings (RAF Lawyer), Mr Peter Blaseby (Civil and Design Engineer), Mr Angus Pond (Architect), Mr Wes Azad (Amazon Web Services Cloud Manager), Miss Anam Zafar (Translator at the UN), Mr William Beavington (Finance & Banking at Jefferies), Mr Simon Hine (Formula 1 Aerodynamics Engineer), Mr David Hancox (Deloitte Accountant and CFO of Structa Engineering), Mr Alistair Antoine (HR Technology Leader - CISCO), Mrs Zitah McMillan (CEO & Entrepreneur FinTech) and Mr Paul Johnson (Ashmore City Lawyer).

From the Careers survey that the students have recently completed, the following areas are of particular interest: **Medicine, Artificial Intelligence/Robotics, Engineering, Forensics/Criminology, Computer Gaming, Design, Politics/Diplomat, Armed Forces, Law, Finance and Banking, Accountancy, Apprenticeships, Sport and a Previous Oxbridge student.** If you, or anyone you know of – it might be a friend or colleague - is happy to come in, please let us know. Our contact details are: Mrs Sadia Azad [sva@rgshw.com](mailto:sva@rgshw.com) and Mrs Sonia Booth [seb@rgshw.com](mailto:seb@rgshw.com). We have had a great turnout to recent talks in careers that take the boys' interest. One parent kindly came back twice in order to be able to speak to all interested students!

We are also very happy and keen to talk to anyone who might have an interesting career to talk about, outside of this list.

We look forward to hearing from you.

Mrs Sadia Azad - Careers and Higher Education Lead

Mrs Sonia Booth - Careers Administrator
