Dear Parent / Guardian

Academic and Co-Curricular Visits 2021-2022

As you are aware, throughout every academic year RGS runs an extensive range of academic and co-curricular visits which play an important part in your son's education and personal development. We are working hard to ensure these programmes continue to run as we are aware how much learning outside the classroom experiences allow students to grow. To help you with your budgeting and planning, I have attached a document with all the regular trips run for each year group.

Please be aware this is only a provisional planning document and that the cost quoted for each trip is just an approximation as it has been taken from the previous trip and will be subject to change. However, I am sure you will still find this a very helpful document.

We would not wish boys to be excluded from the trip for purely financial reasons. If you feel that the cost involved is prohibitive, please do contact me in strictest confidence as there may be funding available to assist you.

If you require any further information in the meantime, please do not hesitate to contact the trip organiser or me.

Yours sincerely,

Dominic Clatworthy *FRGS*
Director of Co-Curricular Education
