

26/11/2020

A very warm welcome to all Year 7 parents and welcome back Year 8 parents from RGSPA!

Although it has been tough organizing any social events to raise money for the School, we would like to continue our support as much as possible.

Last year, we raised £15, 000 which went towards a wide variety of good causes within the School including the lease of two minibuses, refreshments for the Carol Service and Form Prizes. All money raised through the Association goes to the benefit of all boys rather than for specific clubs or activities.

We have a monthly committee meeting currently on Zoom and we are hoping to get more parents involved to add fresh faces and give us some new ideas. We are a friendly bunch and only ask members to participate when they are able to do so. Many parents have found getting involved in the RGS Parents' Association has been a great way to get to know the School and a really rewarding activity.

The next meeting will be on **9 December** and if you are interested in joining us, please visit the RGSPA web page to sign up and get more information - [click here](#).

Kind regards

RGSPA Committee
