Dear Parents,

## Stationery Shop

With exam session now in full swing, I would like to remind you that if your son requires any small items of stationery such as a rubber/pencil/ruler, these can be bought (cash only) from Resources. You are requested to buy any larger items such as goggles/calculators etc online using [this link](#) and your son can then collect them from Resources.

We have a number of new RGS items this year which can also be purchased using the same link and collected from the Resources. RGS House Water bottles (now in their 3<sup>rd</sup> year) are also available as we continue to try and reduce single-use plastic in school.

You can also order uniform items using [this link from Hawkinsport](#), our uniform supplier, and arrange for them to be delivered to school which will save you driving over to Bourne End! When uniform is received from Hawkinsport each Tuesday, boys are asked to collect their items (via Form Tutor Notices) from Resources. Please ask your son to keep an eye out if you are expecting a delivery.

Please get in touch if you have any questions – Mrs Baker and I will be happy to help.

Kind regards

Tanya Warner  
Resources Centre Manager
