

July 2021

Dear Students and Parents of Year 11,

I hope that the recent four-week pack of introductory work on your A Level subjects has given you a useful and informative insight into the subjects that you will be studying in September. I also hope that you are now beginning to enjoy a well-earned rest.

I am writing to you now to draw your attention to a new portal on the RGS website, created specifically for you. You will find this by clicking on the Sixth Form tab at the top of the School's homepage, and then choosing "Into The Sixth" from the drop-down menu. The link and login details are as follows:

Please click here to access the site (we suggest you use Chrome): [Into the Sixth](#)

Username: sixthformlife@rgshw.com (please type this in, it this is not an e mail address)

Password: sixthform2021 (please type this in and use lower case)

In the portal you will find important information about the Sixth Form, the next few weeks leading up to the start of term, and the provisional plan for Year 12 Induction in September. We may need to revise the programme based on the latest Covid regulations and we will be in touch if this is the case.

I would like to draw your particular attention to the section entitled Essential Documentation, which contains a number of important documents that need to be read by both students and parents, including the Sixth Form Agreement. Once you have read them, we would like you to do the following:

- 1) Complete the Parental and Student Agreement in the Essential Documentation section to confirm that you have read, understood and agree with the content of the School IT policies and the Sixth Form Agreement, (parents only).
- 2) Pay the Sixth Form subscription – you can do this by entering the 'Parents – Everything You Need To Know About September' section of the portal and then selecting the Sixth Form Subscription tab. A button at the foot of the text will take you directly through to ParentPay.

I would be very grateful if you could do both of these by the deadline of Friday 30th July.

May I take this opportunity of wishing you all a restful summer and I look forward to meeting you all in the Autumn term.

With my very best wishes,

Steve Noyes

Director of Sixth Form
