In addition, the team at InvestIN have created a free Summer Success Journal with lots of tips and resources for students to use during the summer holidays to help them increase their employability skills. Please see the link <https://investin.org/pages/investin-education-summer-success-journal>. Prizes will be awarded to students with the best entries and the RGS Careers Team will also be awarding certificates to all students who enter, so please let us know if you take part.
