

STAFF NEEDED

Taking a Gap year or wanting to earn some extra money while studying?

Neil Bailey Swimming is recruiting...

We are a small swim school that have taught over 10000+ children to swim in and around High Wycombe.

We are looking for an enthusiastic, bubbly person who enjoys swimming and who has experience working with children and has a strong work ethic.

At Neil Bailey Swimming we offer flexible shifts and a targeted mentoring programme to help improve knowledge of swimming technique and to develop communication and teaching skills.

If you are interested, please contact Alice Peacock at her e-mail address teacher@neilbaileyswimming.co.uk
