IN SUPPORT OF SPORT, HEALTH & SCHOOLS IN THE COMMUNITY

The 'Little Bang' event involves a delightful shorter, quieter and earlier Fireworks Display with a small bonfire for younger children, lit by Snow White from this year's Wycombe Swan Pantomime, Snow White and the Seven Dwarfs. The main display and huge bonfire, from 7pm, will be larger and more magical than ever! A stunning pyro-musical display is planned with spectacular fireworks designed and choreographed to a specially selected soundtrack. Titanium, the organisation responsible for the Mayor of London's New Year's Eve 2018 and Edinburgh's Hogmanay 2018 displays, will be providing our spectacular display!

In addition to fantastic performances from Wycombe Swan's Pantomime Snow White and the Seven Dwarfs, there will be live music, a fun fair, a penalty shoot-out competition run by Wycombe Wanderers Mascot, Bodger, and a host of food and drink concessions, including a hog roast, wood-fired pizzas, paella, South African street food, Indian food and Chocolate & Churros, mulled wine and premier beer and lager.

Early bird tickets valid for both displays are £7. On the gate tickets are £9. A family ticket is also available in advance for £25. Under 5s go free!
